### *As a Supervisor...*

1. I understand that I am considered an additional “crew member” and that I am onboard to help supervise as well as participate in student activities, including meal preparation and cleaning.
2. I understand that it is my responsibility to review safety systems with the crew upon arrival and to assist with ensuring student safety.
3. I understand that since students are not permitted to bring or use their cell phones I must be discrete in my cell phone usage, using it sparingly and only for urgent matters. One of the goals of this trip is to focus on the natural environment and it can be a distraction to students if supervisors are not present – i.e. attending to matters back home – during the trip.
4. I understand that I am a role model for student behaviour and that my actions can affect the actions of students. For this reason I will help to promote a positive learning environment.
5. I have read and understood the “**RULES WHILE ON BOARD “ISLAND ODYSSEY”** and “**ISLAND ROAMER”** and agree that I will comply fully with all the rules listed.
